About This Guide

Welcome to the *2024-2025 Jacksonville & Northeast Florida Healthcare Guide™* (JHCG), the most comprehensive healthcare reference and referral directory in the region. This one-of-a-kind guide will be your go-to resource for locating healthcare providers in Northeast Florida. We are proud to present this publication in partnership with the Duval County Medical Society (DCMS). For ease of use, JHCG identifies DCMS members as “DCMS Active” with an icon, and the current DCMS Membership Directory content can be found in our editorial section starting on page 8.

Within the pages of this book, you will also find articles dedicated to keeping the medical community informed about advances in medicine as well as trending topics.

The healthcare industry is a major contributor to the success of the area’s economy. On page 18, we discuss how current expansions of local healthcare facilities are beneficial for the vitality of the growing Northeast Florida community.

This region also continues to grow as a hot spot for medical tourism, and on page 21 we delve into how patients travel from near and far to receive treatment from our world-renowned physicians, hospitals and healthcare facilities.

As we do in every issue, we have included information on continuing education to keep your practice up to date. That information is on page 23.

Our Green Pages™ section is an easy-to-use, comprehensive directory of all the healthcare providers in Baker, Clay, Duval, Nassau and St. Johns counties, and begins on page 29. The Green Pages include alphabetical listings on all area physicians with references to page numbers, as well as listings of physicians by specialty. Also included are area hospitals and other ancillary healthcare providers and services. If available, the listings include National Provider Identifier (NPI) numbers for further convenience.

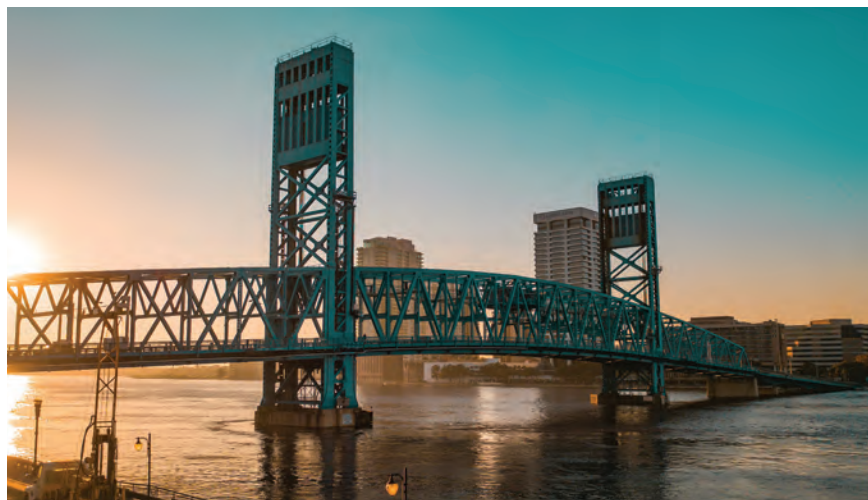

Our goal is to present the most accurate and up-to-date information in our publication. Our Data Specialists have researched and verified the listings through June 2024. However, if your listing needs to be corrected, please complete the form on page 310, and mail or fax the form back to us. Please feel free to submit changes on our website at www.heritagepublishinginc.com/update-listing.

Finally, we encourage you to support our exceptional advertisers. Without their continued participation, we would not be able to produce this vital publication. As always, we deeply appreciate their partnership.

Cordially,

Marzoug (Mark) Al-Amad

WHY?

Should You Become a DCMS Member

Your membership highlighted in the *Jacksonville & Northeast Florida Healthcare Guide & DCMS Membership Directory*.

Access to free CME opportunities and discount with CE Broker.

A variety of membership events to grow your professional network, while spending time with loved ones.

Keep up with the legislation that may impact physicians and the practice of medicine.

The DCMS Insurance Co-Op could provide significant health insurance discounts for you and your staff.

Grow your leadership skills through the DCMS Leadership Academy while earning CME credit.

Receive a 5% premium discount on medical malpractice insurance that can be combined with additional loss-free discounts through The Doctors Company.

Participate in educational members-only webinars to learn about pertinent legislation and other important healthcare topics.

Access the DCMS Career Center to find new talent for your practice or post your resume.

& more ...

JOIN THE DCMS TODAY!
dcmsonline.org/join

Dear Colleague,

I am honored to serve as the 2023/24 President of the Duval County Medical Society (DCMS), Florida's oldest professional physician organization. With a mission of "helping physicians care for the health of our community," our members impact our communities in meaningful ways every day. The DCMS was founded in 1853 to coordinate efforts to control and treat malaria, dengue fever and smallpox on the First Coast. More recently, DCMS members have touched lives by working to end local food deserts, helping coordinate free vaccination programs for those with access-to-care issues, creating an alternative supply chain for physician practices struggling to obtain personal protective equipment early in the COVID-19 pandemic, and by providing medical care to those in need through medical outreach programs and screening exams for local high school athletes.

In addition, the DCMS is dedicated to serving the physicians in our communities. Member social events allow us to connect and grow friendships. These opportunities are numerous, but include monthly membership dinners, a Jaguars football tailgate party and game, networking groups like Women in Medicine, an annual DCMS-Navy dinner to connect with our local uniformed clinicians, Beers with Peers resident socials, and our annual meeting. Furthermore, through the DCMS Foundation, our physician wellness program, LifeBridge, provides physicians with a voluntary, confidential resource to connect with experienced counselors to address physician burnout and emotional stress, or to just provide career counseling services. The DCMS also offers continuing medical education (CME), webinars, practice resources, discounts for insurance services, and so much more.

Through the DCMS-University of North Florida International Healthcare Symposium, we help identify and discuss current challenges in healthcare and work toward unified solutions for the betterment of our local community. We draw on local leaders in healthcare, non-profit organizations, universities, businesses, and elected officials, as well as leaders from the American Medical Association (AMA) and the Florida Medical Association (FMA).

Many DCMS members are also very active in regulatory and legislative advocacy efforts not just locally, but in Tallahassee and Washington, D.C. We have members serving in leadership positions of many other professional organizations on a state and national level, as well as past presidents of the FMA, AMA and World Medical Association!

As I hope you can see, there is a lot going on at the DCMS and much more than I can share in this brief letter. If you're a physician living or working in Duval County, I ask you to join us and become a member of the DCMS. If you are already a member, I thank you. I offer myself to help connect you with opportunities that meet your interests. Feel free to reach out to me and the DCMS staff with any questions at dcms@dcmsonline.org or by calling our office at (904) 355-6561.

Gratefully,

Ferdinand J. Formoso, D.O.
2023/24 DCMS President

DCMS 2023/2024 OFFICERS

Ferdinand Formoso, DO, President

Dr. Ferdinand J. Formoso is a board-certified interventional pain medicine specialist as well as a board-certified physical medicine and rehabilitation specialist. Dr. Formoso received his bachelor's degree in psychology from the University of Buffalo in 1996, and then earned his doctorate degree at the New York College of Osteopathic Medicine in 2001. Dr. Formoso served as chief resident for the Temple University/Moss Rehab Physical Medicine and Rehabilitation residency program in Philadelphia, Pennsylvania. Under Temple's Program Director Dr. Frank Falco, a past President of the American Society of Interventional Pain Physicians, Dr. Formoso completed his fellowship in interventional pain medicine. He is the founder of Formoso Spine & Joint Pain Specialists and serves acute and chronic spine and joint pain patients in Jacksonville.

Leigh Speicher, MD, MPH, Vice President

Dr. Leigh Speicher is board certified in internal and aerospace medicine. She serves as a consultant within the Section of Executive and International Medicine at Mayo Clinic in Jacksonville. She is a licensed private pilot and a Senior Federal Aviation Administration (FAA) Aeromedical Examiner. Her interests are in preventive medicine and quality. She is the medical director for Mayo Experience at Mayo Clinic Jacksonville. She also serves as the Department of Medicine Associate Chair of Quality. Dr. Speicher served as medical director of the COVID-19 Virtual Clinic and the COVID-19 Infusion Center until the end of 2022. She is an Assistant Professor of Medicine at Mayo Clinic College of Medicine in Jacksonville. Dr. Speicher earned a BS degree at Eckerd College in St. Petersburg, Florida. She then obtained her medical degree from the University of Miami School of Medicine. She completed a general surgery internship at the National Naval Medical Center in Bethesda, Maryland. She studied internal and aerospace medicine in her residency program at the University of Texas Medical Branch in Galveston, Texas, where she also completed a Master of Public Health degree. Dr. Speicher is a north Florida native who has served as a U.S. Navy flight surgeon at Naval Air Station Jacksonville. She worked in the medical appeals department for the FAA prior to joining Mayo in 2012.

Ali Kasraeian, MD, FACS, President-Elect

Dr. Ali Kasraeian is a board-certified urologist providing general and specialized care at Kasraeian Urology, alongside his father Dr. Ahmad Kasraeian. He completed his fellowship in advanced laparoscopic, robotic and minimally invasive urologic surgery at the Montsouris Institute in France. He received a Bachelor of Science degree (with honors) from the University of Florida in Gainesville, where he also earned his doctorate in medicine (with research honors). Dr. Kasraeian completed his residency in urology at the University of Florida College of Medicine. He's a member of the State of Florida Prostate Cancer Advisory Council, a board member and legislative chair of the Florida Urological Society and serves on the Joint Advocacy Committee of the Florida Chapter of the American College of Surgeons.

Daniel Thimann, MD, Secretary

Dr. Daniel Thimann is a fellow of the American Academy of Pediatrics as well as a fellow in the American College of Emergency Physicians. He attended the University of Miami and The Miller School of Medicine at the University of Miami. Dr. Thimann completed his pediatric residency program as well as a fellowship in pediatric emergency medicine. He is now a pediatric emergency medicine doctor at Wolfson Children's Hospital, where his duties include caring for children in some of their worst and scariest times. He is skilled in taking control of a chaotic environment, quickly formulating a plan and implementing it. He also discusses the care with the parent and creates a calm, safe atmosphere for the patient. As a Florida physician, Dr. Thimann was concerned about the current state of medicine and sought an opportunity to participate in organized medicine. He decided to join the DCMS at the Board level, and through this involvement, became a Florida Medical Association Delegate and got involved with the DCMS Legislative Committee, advocating on behalf of physicians. As a husband and father of two boys, his house is busy and full of life. In the community, Dr. Thimann is a Chairman of the Board for Trinity Rescue Mission, where he uses the skills he has learned in medicine to help a different vulnerable population.

Timothy Groover, MD, Vice President

Dr. Tim Groover completed his medical school and residency training at the University of Miami Miller School of Medicine and Jackson Memorial Medical Center. Dr. Groover earned his MBA from the University of Tennessee. He has practiced anesthesiology at Baptist Health in Jacksonville since 1996. Dr. Groover currently serves as SVP and System Chief Medical Officer at Baptist Health. He has served in varying capacities within Baptist Health including a member of the Baptist Health System Board of Directors, President of the Physician Enterprise, Chief of Staff, and Executive Leader for the Clinically Integrated Network and Accountable Care Organization. In addition to serving with DCMS, Dr. Groover also serves on the Coastal Community Health Board, the KIPP Board as Vice Chair, the Signify Health Advisory Board, and the Cedar Health Advisory Board. He is a fellow of the American College of Healthcare Executives, a Certified Physician Executive, and a member of the American Society of Anesthesiologists and Florida Society of Anesthesiologists.

F. Huson Gilberstadt, MD, Treasurer

Dr. F. Huson Gilberstadt is currently a medical consultant for GLG and Alpha Sites and is helping lead an ECHO program for "Project Save Lives" delivering direction on a national front. Previously, he was a National VP for Ascension in charge of substance use disorders and addiction as well as military medicine and behavioral medicine advocacy. Prior to those roles, Dr. Gilberstadt was the Chief Clinical Officer for the Ascension Florida and Gulf Coast Markets. In this position, Dr. Gilberstadt served alongside the CEO, COO and CNO to oversee the 10 hospitals and hundreds of outpatient offices and facilities. In addition to this role, he served as Chief Medical Officer as well as President of St. Vincent's Riverside Hospital (528 beds). Prior to those responsibilities, he was the Physician Advisor for the three Ascension hospitals in Jacksonville and has been an active emergency physician from July of 1994 until present. Dr. Gilberstadt grew up in Jacksonville and was born at St. Vincent's, as were his father and his three sons. He attended the University of Georgia. He went on to receive his medical degree from the Medical College of Georgia and completed his ED residency there as well. On a personal note, Dr. Gilberstadt has been a professional alligator trapper for the last 29 years.

HELPING PHYSICIANS CARE FOR THE HEALTH OF OUR COMMUNITY

A HISTORY OF LEADERSHIP

The Duval County Medical Society (DCMS) was founded in 1853 by Jacksonville physicians hoping to come together to solve a public health crisis. In the more than 170 years since, DCMS physicians have led the way in caring for the health of our city, state and nation. In fact, DCMS members helped to found the Florida Medical Association right here in Jacksonville. They also helped create the first Florida State Department of Health, right in historic Springfield.

DCMS members have been leaders in organized medicine around the world, including numerous presidents of such groups as the Florida Medical Association, the American Medical Association, the World Medical Association, and specialty organizations.

By joining the DCMS, you are joining a legacy of daring and caring leaders who have helped to transform the delivery of healthcare across the world.

...and we're not done yet. DCMS continues to develop future leaders in healthcare with programs for everyone from residents to seasoned professionals. These programs help develop clinical, professional and leadership skills. We look forward to helping you see the future of medicine, and helping you care for the health of our community.

DCMS MEMBER BENEFITS

Members of the Duval County Medical Society have access to a number of exclusive benefits.

LifeBridge: Physician Wellness Program

In partnership with the DCMS Foundation, the LifeBridge: Physician Wellness Program is designed to address the seriousness of physician burnout. Practicing medicine can be highly stressful and doctors face day-to-day challenges with emotional stress and work burnout, which can impact one's personal, practice, or family life.

The DCMS is dedicated to addressing the needs of its physician members through a 24/7 wellness line and online resources. By calling 904-447-LIFE, DCMS members are connected with a certified counselor experienced in coaching healthcare professionals. No electronic records are kept, and no information is disclosed. DCMS members receive six free sessions per calendar year.

CME Opportunities

In partnership with the DCMS Foundation, the DCMS provides free continuing medical education (CME) for its members through its online CME Portal and in-person events. The CME Portal is available at dcmsonline.org/cme and offers a variety of CME opportunities at no cost to members. Available through the website 24/7, DCMS members have the flexibility to earn credits at their leisure. Members are also invited to participate as CME authors. For more information, contact kristy@dcmsonline.org.

The DCMS Leadership Academy and the Annual Future of Healthcare Conference also provide members and non-members the opportunity to receive CME credits. When it comes time to record all that CME into the CE Broker website, you can take advantage of the DCMS member discount, as well.

Additionally, each December, DCMS members are able to participate in a live online course providing all of the mandatory courses such as Prevention of Medical Errors, Domestic Violence, and Florida Laws and Rules and Medical Ethics.

Advocacy & Advocacy Hotline

One of the most important roles of the medical society is to advocate on your behalf and keep track of the hundreds of bills introduced in Tallahassee every year that will have an impact on the delivery of healthcare in Florida. We monitor these bills so you don't have to.

Members receive timely updates on developments during Florida Legislative Session and throughout the year through our weekly E-newsletter and online legislative blog at dcmsonline.org/news.

However, we know that some bills move quickly and have specific importance to your practice. That's why we've developed the DCMS Advocacy Hotline. Simply call 813-215-7140 to speak with DCMS Executive Director Fraser Cobbe directly regarding your questions and concerns. Most inquiries can be answered within 24 hours.

Membership Events

Learn about the latest in medicine, receive updates on legislation that impacts your practice, and share a meal with your friends, colleagues, and loved ones. Speakers range from local physicians to the President of the American Medical Association. DCMS members always receive discounted event tickets. Visit dcmsonline.org/dcmsevents to see our calendar and register.

DCMS Insurance Co-Op

As a DCMS member, you may be eligible to participate in the DCMS Insurance Co-Op for significant discounts on health insurance for you and your staff. Contact dcms@dcmsonline.org for more information on this program.

DCMS Career Center

Whether you are looking to expand your practice or looking to make a move, the DCMS Career Center is your access to the top medical job board in the country. Posting a resume is free. Members can also post job openings to the site at a discounted rate. To post a job, share your CV, or review current job opportunities, visit jobs.dcmsonline.org.

Leadership Academy

The DCMS has a long history of physician leadership, from the Florida Medical Association to the World Medical Association, from pioneering private practices to hospital executives. We are committed to ensuring that the next generation of physician leaders also has a strong Duval County representation. The DCMS Leadership Academy is a program designed to give physicians the leadership skills necessary to be more effective employees, employers, Board members, and community leaders. The academy is open to all physicians, but DCMS Members receive a substantial discount. To learn more, visit dcmsonline.org/LeadershipAcademy.

DCMS - UNF International Healthcare Symposium

The DCMS Foundation and University of North Florida partner for the annual International Healthcare Symposium, a two-day multidisciplinary conference aimed at educating, engaging, and connecting healthcare professionals about challenges and opportunities in the healthcare industry. Learn more at dcmsonline.org/conference.

Life After Residency Program

Duval County is home to more than 400 medical residents every year. While these young physicians are working hard every day learning to practice medicine, the most common request we hear is for education about what happens AFTER residency. The Life After Residency program is a seminar focusing on showing residents the best way to transition to life after their program ends. Topics include finding the perfect job, negotiating the perfect contract, and managing student loan debt. This program is FREE for resident and fellow members of the DCMS. The program takes place annually in September.

Membership Directory & Referrals

The DCMS partnership with the *Jacksonville and Northeast Florida Healthcare Guide* provides special recognition for DCMS members in the annual directory. Along with providing valuable

2023 DCMS - UNF Healthcare Symposium

DCMS member information, the healthcare guide acknowledges those who participate in telehealth. DCMS members receive a 10 percent discount on advertising rates for the healthcare guide.

Additionally, the online DCMS Membership Directory at dcmsonline.org is a great resource for referrals from the public.

Membership Mailing Lists

Whether you are marketing an event or changing your office location, sometimes you need to communicate with your entire referral network at once. That's where the DCMS membership mailing list can save you time and money. Members can receive a one-time use member mailing list for only \$125. That's a savings of more than \$1,300 from the corporate cost! To order a mailing list, visit dcmsonline.org. Under the Membership tab, select Request Member Mailing List.

Poster Session

Looking for a local venue to present your research? DCMS resident and fellow members can submit posters for the judged poster presentation at the DCMS Foundation – University of North Florida International Healthcare Symposium. This is a great opportunity to showcase your work, practice your presentation, and network with local physicians. Questions? Contact sallie@dcmsonline.org.

DCMS Calendar of Events:

2024

September – Membership Dinner

October 9-10 – DCMS-UNF International Healthcare Symposium, Women in Medicine event

November – Membership Dinner, Beers with Peers

December – County Medical Society Mandatory CME Program

2025

February – Membership Dinner, Beers with Peers

March – Membership Dinner

April – DCMS Leadership Academy

May – Day of Giving celebrating DCMS' Birthday, DCMS-Navy Dinner, Beers with Peers

June – Membership Dinner

August – Membership Dinner, Beers with Peers

For more information, visit www.dcmsonline.org.

DCMS FOUNDATION

The Duval County Medical Society (DCMS) Foundation was established by the DCMS as a nonprofit, charitable 501(c)(3) organization in 1959. The DCMS Foundation serves to improve the total health of Northeast Florida by furthering community health education and awareness.

History

The Academy of Medicine was established as a non-profit institute of science research and learning, dealing primarily with medical science. Fifty years later, the Academy changed its name to the DCMS Foundation, Academy of Medicine Jacksonville, to more appropriately match the relationship between DCMS and its philanthropic arm.

Historically, the Foundation had a major impact on our region's health awareness through a variety of initiatives: the Jacksonville Health Education Program (JHEP), the founding and development of the Borland Medical Library, county-wide polio and rubella inoculation programs, financial and medical supply relief for international disaster victims, community education of HIV/AIDS and substance abuse, and continuing medical education for physicians, to name a few.

The DCMS also founded We Care Jacksonville in 1993 to provide a network of volunteer physicians and healthcare providers who donate care to uninsured patients. Now an independent 501(c)(3), We Care receives donated services from all major health systems in Jacksonville.

Today, the DCMS Foundation continues to make an impact in improving the health of Northeast Florida through a variety of programs:

LifeBridge: Physician Wellness Program

Physician burnout and its complications are the number one threat to a physician's medical career. It may lead to lower levels of patient care, more medical errors, and higher rates of staff turnover, disruptive behavior, substance abuse, and even suicide. More than half of all physicians report signs of burnout. As a result, a number of resources have been created to address physician wellness, including mindfulness seminars, yoga classes, and more. Unfortunately, physicians have been reticent to seek the type of professional care they need to address their signs of stress or burnout. Until now.

- LifeBridge is provided to all DCMS members via the DCMS Foundation. This is a safe and confidential program to help get you back to feeling like yourself.
- LifeBridge is like no other physician wellness program. The service provides up to six free sessions with a counselor per year to discuss any issue. It doesn't matter if it's stress, marital issues, or difficulty dealing with a bad outcome. You get the help of a licensed professional at no charge.
- You can also use LifeBridge for career counseling to receive advice on interview preparation or planning your career path.
- Some physicians have expressed concern that seeking appropriate help from a mental health professional will create an electronic medical record and could impact their licensure. LifeBridge has been designed in conjunction with the Florida Board of Medicine specifically to be a pre-clinical program that does not create an electronic medical record.
- LifeBridge is completely. Only your counselor will know your personal information, so it can never be reported to the DCMS, your employer, or any other group.

- LifeBridge has a diverse panel of counselors who are committed to making themselves available within 24 hours of your call. They are specially trained to work with physicians, and have office space across the metropolitan area. There are also phone and video conference options available.

Do not hesitate to call (904) 447-LIFE or visit our website at dcmsonline.org/lifebridge.

Annual International Healthcare Symposium

The DCMS Foundation leads the discussion on improving healthcare in Northeast Florida through the annual International Healthcare Symposium. In partnership with the University of North Florida Brooks College of Health, the Symposium encourages strategic thinking in tackling the region's most pressing health problems. Attendees include healthcare professionals, community leaders, local politicians, and representatives from non-profit organizations. Topics have included the opioid epidemic, gun violence, food deserts, mental health, and obesity.

The goal of the Symposium is to not only discuss critical topics impacting healthcare, but to find solutions. The 2024 event is scheduled for October 9-10 at the University of North Florida. Learn more at healthcaresymposium.domains.unf.edu.

#FluVaxJax

In September 2020, the DCMS Foundation launched the #FluVaxJax

#FLUVAXJAX

campaign, a partnership of community organizations with a goal of increasing the rate of influenza vaccinations on the First Coast. This collaboration between local hospitals and health systems, pharmacies, health insurance companies, safety net programs, the Florida Department of Health in Clay, Duval, Nassau, and St. Johns Counties, the city of Jacksonville, local media, and many others created a widespread message regarding the importance of flu vaccines.

During the inaugural year of #FluVaxJax, the campaign reached its goal of 48 percent of adults vaccinated for flu in Clay, Duval, Nassau, and St. Johns Counties! The program continues to provide no-cost flu vaccinations each year to those without insurance on the First Coast. Visit fluvaxjax.com to learn more.

Physician Education

The DCMS Foundation is committed to the continuing education of its members and provides free CME opportunities for members to obtain and retain medical licensure. Courses are available 24/7 through the DCMS CME Portal at dcmsonline.org/cme. The portal includes courses such as Prevention of Medical Errors, HIV, and Domestic Violence.

DCMS Foundation Officers & Board of Directors:

Officers:

President: Ruple Galani, MD

President-Elect: Tra'Chella Johnson Foy, MD

Board of Directors:

Mark Dobbertien, DO - Ms. Cindy Funkhouser

Mr. Michael Mayo - John Montgomery, MD

Jennifer Ryan, MPH - Floyd Willis, MD

DCMS PREFERRED VENDOR PROGRAMS

The DCMS is constantly working to help physicians care for the health of our community. One of the most important ways we do that is finding opportunities for you to save on services you already need in your practice or personal life.

Medical Malpractice

The Doctors Company

The Duval County Medical Society has selected The Doctors Company as the exclusively endorsed medical professional liability insurer for our members. The Doctors Company provides Duval County physicians with local claims, underwriting and patient safety services. *DCMS members qualify for a premium discount that can be combined with additional loss-free discounts for even greater savings.*

Benefits for DCMS Members

- 5 percent premium discount for active members
- Industry-leading patient safety tools, articles and programs, plus free web-based CME and live CME
- Protection against privacy breach through CyberGuard® cyber liability coverage and against Medicare reviews through MediGuard® regulatory risk coverage, both included as part of The Doctors Company core policy

We encourage you to find out how you can benefit by securing coverage with The Doctors Company. Contact Christian Groux, Vice President, Business Development at 904-360-3090 or email cgroup@thedoctors.com.

Continuing Medical Education

CE Broker

The Duval County Medical Society works with CE Broker to offer a service that eases the pain of reporting CME online.

CE Broker is the official continuing education tracking system for the Florida Department of Health and manages the database of CME record for all physicians in the state.

The professional service simplifies CME by:

Making License Renewal Simple

- See your renewal requirements in detail, quickly report missing CE, check your compliance status anytime, know when your requirements are fully met, find approved educational providers, and receive important notifications from your regulating agency.

Staying Organized with Secure Storage

- Permanently back up your reported documents and store heart cards and multiple licenses.

Go Paperless & Go Anywhere

- Access your account through a free app, review all past course info in your Course History, and digitally store all your certificates.

DCMS Members receive \$10 off all subscription plans. Contact us at dcmsonline.org for your member discount code, and then enter it in the Association Discount Code field.

Patient Assistance

Florida Rx Card

The DCMS is pleased to work with Florida Rx Card to provide our members and their patients with a prescription drug assistance program. The Florida Rx Card is free for every resident of the state, and it can be used to obtain savings of up to 80 percent on prescription drugs at most retail pharmacies.

The Florida Rx Card can be used by Florida residents who don't have prescription drug insurance, those who have high deductibles, or who take medications that are not covered by insurance. The program is completely confidential, there are no membership restrictions or income requirements or age limitations, and there are no applications to complete.

Your patients can print a FREE Florida Rx Card at www.floridarxcard.com. Also, your patients can request a more durable version of the card shipped to them for free by contacting info@floridarxcard.com

Healthcare News

News Service of Florida

Do you like to keep up with the latest health policy and political news? The News Service of Florida provides daily updates on state government events, advisories on developing news, coverage of House and Senate sessions, and more.

DCMS members receive a significant discount on News Service of Florida subscriptions. The regular annual fee for the News Service of Florida is \$1,095; DCMS members pay just \$300 per year. To take advantage of the discount, contact DCMS Executive Director Fraser Cobbe at fcobbe@cobbmanagement.com.

ADVOCACY IN ACTION

With healthcare comprising a significant amount of the GDP and consuming large portions of the federal and state budget, statutory and regulatory decisions are some of the most complex that elected leaders face in their efforts to represent their constituents.

Photo courtesy of DCMS

County medical societies are uniquely positioned to help legislators navigate policy decisions that can have significant consequences for patients in their communities. The Duval County Medical Society (DCMS) takes the responsibility to educate and advocate for pro-medicine policies very seriously. We are the voice of physicians and patients in our community.

The DCMS provides several platforms for our members to engage in our advocacy efforts. The Northeast Florida Medical Political Action Committee conducts interviews of all viable candidates running for the Florida Legislature and can be a conduit for local and statewide financial support for those pro-medicine candidates we endorse. Once elected, we continue to engage our elected leaders through meetings leading up to and during the legislative session each year. After session, we invite the Duval delegation to a membership meeting to highlight the important healthcare issues that passed during session.

The organization prioritizes our legislative agenda issues each year through the input of our NE Florida Legislative Committee and input from our members and community at large.

This holistic approach has delivered victories in recent years with the Duval legislative delegation supporting initiatives that have a profound impact on our members and patients. Examples of that

positive impact include: reform of the parental rights legislation to make sure physicians can render emergent care outside of the hospital without written parental consent, increasing reimbursement for the treatment of Medicaid pediatric beneficiaries, enhanced student loan forgiveness for primary care physicians, and increased reimbursement for physicians treating injured workers.

Refer with absolute confidence ...

Our goal— to exceed your expectations.

Put us to the test at NeuroDx. Rate us on everything from how a real person answers the phone to our hassle-free referral process. Note our many convenient locations. Review the world-class credentials of our board-certified and fellowship trained professionals. Notice how each test is individually designed based on clinical needs. Judge our detailed and useful test results. Ask your patients if they were treated with respect. Did we take the time to listen carefully? Would they recommend us to others? We accept most insurance plans and offer easy payment plans. Go ahead—put us to the test. At NeuroDx, we've been exceeding expectations for over 25 years.

Healthcare's Economic Impact in Jacksonville and Northeast Florida

The booming healthcare industry is vital to the success of the Northeast Florida economy. The expansion of healthcare facilities in operation, new healthcare facilities being built and an increase in medical tourism all contribute to the prosperous economy in the Jacksonville area.

Patients and physicians also benefit from a growing and thriving Northeast Florida healthcare industry. The expansion and growth of the medical community not only brings better patient care, but also brings jobs directly to the area.

The healthcare industry is a major contributor to the economic development and job growth in Northeast Florida. The healthcare market is a top employer in the region with Baptist Health at No. 2, Mayo Clinic at No. 4, UF Health Jacksonville at No. 7, Florida Blue at No. 8, Ascension

St. Vincent's at No. 11, Johnson & Johnson Vision at No. 15, HCA Florida Memorial Hospital at No. 21, and Brooks Rehabilitation at No. 23.

According to JAXUSA Partnership, 1 in every 8 jobs is in the healthcare industry in Northeast Florida. Jacksonville-area hospitals had an annual economic output contribution of \$17.96 billion and provided 88,804 full-time and part-time jobs, according to the most recent economic impact report from the Florida Hospital Association.

As we take a look at the expansion of healthcare facilities currently in operation and new healthcare facilities being built, we see the overall impact of the healthcare industry is directly linked to a flourishing economy in the area.

Since 2016, Mayo Clinic has invested more than \$1 billion in expansions and will double its campus by 2026. Mayo Clinic is now adding a 210-acre North

Campus to its property, which will expand the medical center to 602 acres. Through this expansion, Mayo Clinic will boost the area's economic development and create thousands of jobs in the medical field. Currently, the campus has nearly 10,000 employees and has a total economic impact of more than \$4 billion annually on Florida's economy.

Jacksonville is home to the second largest University of Florida (UF) campus, which makes significant contributions to the Northeast Florida economy. A new UF graduate campus is opening soon in downtown Jacksonville. Estimated to cost \$300 million, the satellite campus will offer master's degrees in artificial intelligence in biomedical and health sciences, physician assistant studies, as well as several others. The campus is expected to have a substantial economic impact by creating high-paying jobs and expanding the area's graduate education pool.

According to UF's most recent economic impact study, "UF Health contributes more than \$4.6 billion to Florida's overall economy through direct and indirect expenditures. The clinical enterprise's direct employment and indirect spending account for 33,000 jobs." In the Jacksonville Metropolitan Statistical Area, UF Health had an estimated economic impact of \$2.718 billion in industry output or sales revenues, \$1.634 billion in total value added and 18,875 full-time and part-time jobs supported, representing 2.1 percent of the total workforce, according to UF's most recent Economic Impact Analysis Program report. In February 2024, UF Health broke ground on UF Health Durbin Park, a new 42.5-acre hospital and wellness campus in St. Johns County. Once fully complete, the hospital will have 150 beds and will offer orthopaedics, neurosurgery, cardiovascular medicine and women's services, as well as a multidisciplinary medical office building and an ambulatory surgery center. The project is expected to bring 2,000 new jobs to the area, for a total of 12,000 jobs in St. Johns and Jacksonville over time, and represents a \$1 billion investment in Northeast Florida, according to a UF Health press release.

In December 2022, Baptist Health opened Baptist Medical Center Clay County, a six-story, 300,000-square-foot full-service hospital, in Fleming Island. The \$234 million investment in the Clay County community created 400 new jobs and provides residents with advanced heart care, comprehensive cancer care and innovative

Baptist Nassau, photo courtesy of Wikimedia

surgical care. In Nassau County, Baptist Health has broken ground on the new \$38 million Baptist Nassau Crossing Medical Campus, which is set to open later this year. Central and western Nassau County residents will soon have access to a new freestanding emergency room and imaging center, as well as primary and specialty care services at the campus's medical office building.

Publix Super Markets plans to establish a new pharmaceutical manufacturing facility in St. Johns County. Expected to open in 2026, this state-of-the-art central fill pharmaceutical facility will add approximately 400 new jobs to the area.

"The expansion and growth of the medical community not only brings better patient care, but also brings jobs directly to the area."

“Jacksonville-area hospitals had an annual economic output contribution of \$17.96 billion and provided 88,804 full-time and part-time jobs, according to the most recent economic impact report from the Florida Hospital Association.”

facilities, equipment and technologies to enhance healthcare access generate nearly \$4.5 billion in economic benefit. We are committed to helping all community members thrive through our collaborative and inclusive approach to improving health and well-being.”

- Baptist Health President and CEO Michael A. Mayo, DHA, FACHE

“UF Health Jacksonville is not only one of Northeast Florida’s most-valued healthcare assets, but also an economic engine for this community. UF Health in Jacksonville includes two medical campuses, the UF College of Medicine – Jacksonville and UF Jacksonville Physicians, Inc., which together employ more than 8,000 physicians, nurses, caregivers and support staff, and together we care for thousands of patients each year. Our efforts generate significant economic value through job creation and revenue that contributes to the financial well-being of the region. UF Health Jacksonville also educates the next generation of health professionals, and many choose to remain in this community to work, live and play, which has a positive economic impact and brings more financial resources to the community. The healthcare field continues to grow and it is a significant driver of Northeast Florida’s economy, and UF Health is proud to play a large part in the success of the region.”

- UF Health Jacksonville CEO Patrick L. Green, FACHE

What Local Hospital Leaders Have to Say:

“We believe in taking care of others and our communities. Our commitment to the care and improvement of human life extends beyond the medical care we provide in the hospital facility. We are proud of the support we provide to our community by being the largest private employer in Clay County, providing uncompensated charity care, supporting our local charitable organizations and community partners through donations, and helping fund our local communities through taxes paid. We are committed to creating healthier tomorrows for the Jacksonville community.”

- HCA Florida Orange Park Hospital CEO Jeff Taylor

“Mayo Clinic is the fourth largest employer in Jacksonville and a key driver and significant economic contributor. With nearly 10,000 employees and ongoing capital projects exceeding \$600 million, Mayo Clinic’s influence stretches beyond Florida—it touches patients throughout the United States and around the world. Our pace of execution, innovative culture

and campus expansion positions us well to accelerate the transformation of healthcare.”

- Mayo Clinic in Florida CEO Kent Thielen, MD

“We are very proud of our community contributions as the only acute care hospital in Jacksonville that pays taxes. Last year in 2023, we paid \$17.7 million in state and local taxes that gets reinvested into our community. In fact, we were recognized by the *Jacksonville Business Journal* for being the top Philanthropic Company in Northeast Florida. We treat approximately 18,000 uninsured Northeast Florida patients each year, providing about \$35 million annually in uncompensated, charity care and discounts to patients.”

- HCA Florida Memorial Hospital CEO Reed Hammond

“As the most preferred healthcare provider and one of the largest employers in the area, Baptist Health employs one out of every 60 local workers. Our teams provide many critically needed services that would not otherwise be available to our community, and our investments in people,

Medical Tourism is Booming in Jacksonville and Northeast Florida

UF Health Jax, photo courtesy of UF Health

Northeast Florida is a popular spot for those looking to have a sunny vacation, but some visitors are traveling here in search of something else: medical treatment. Patients travel from near and far to receive care at the many top-rated hospitals, clinics and medical practices located here.

Northeast Florida is also home to one of only three Mayo Clinics, one of six MD Anderson Cancer Centers, the UF Proton Therapy Institute, as well as numerous medical centers and hospital systems including Baptist Health, Wolfson Children's Hospital, UF Health, HCA Florida, Brooks Rehabilitation and Nemours Children's Health. As a hub for medical tourism, there are a multitude of highly specialized medical services available in Northeast Florida, including organ transplants, dialysis, pediatrics, bariatric surgery, cancer treatment, cardiac health and advanced rehabilitation services.

Top-Notch Surgeons Patients Travel For

Patients looking to undergo Total Posterior Spine Surgery, or TOPS, are making the trip to Jacksonville. The TOPS system treats spinal conditions such as lumbar spinal stenosis, degenerative spondylolisthesis and related issues. Many patients choose the TOPS system because it helps preserve motion and maintain stability. In Jacksonville, the TOPS procedure is performed by neurosurgeon Dr. Ali Chahlavi at Ascension St. Vincent's. Dr. Chahlavi is the second surgeon to perform the surgery in the United States. According to Dr. Chahlavi, the procedure is unique and a draw for patients beyond Jacksonville. As a leader in spine care, Ascension St. Vincent's is one of the top five spine hospitals in the state of Florida.

Thousands of patients from all over the world have traveled to Jacksonville in order to receive life-changing eye surgeries from the world-renowned Dr. Arun Gulani at Gulani Vision Institute. "Dr. Gulani has

been instrumental in turning Jacksonville into a vision destination for the world. I'm constantly blown away at the number of people who travel thousands of miles because they only trust Dr. Gulani with their difficult cases. We are very fortunate that the eye surgeries of the future are being performed daily in our backyard," said former City of Jacksonville Mayor Lenny Curry.

Mayo Clinic

According to *U.S. News & World Report 2023-2024*, Mayo Clinic's Jacksonville campus is the No. 1 hospital in Florida, so it's no wonder why the hospital draws patients from around the state, country and world. About 31 percent of Mayo Clinic's patients come from outside the five-county area in Northeast Florida, including other parts of Florida, southern Georgia and coastal South Carolina. More than 10 percent of patients come from across the nation, and more than 1 percent are international patients. Every year,

Medical Tourism is Booming

Mayo sees patients who travel from more than 150 countries for care. The hospital specializes in cancer care, neurology, neurosurgery, gastroenterology, hepatology, gastrointestinal surgery, cardiology, cardiothoracic surgery, heart surgery, transplants, orthopaedics, endocrinology, gynecology, otolaryngology, pulmonology and urology.

To cater to its international patients, Mayo Clinic has patient information offices in countries all over the world, including Canada, Colombia, the Dominican Republic, Ecuador, El Salvador, Guatemala, Honduras, India, Indonesia, Mexico, Panama, Peru, United Arab Emirates, and Uruguay. These offices assist patients who are considering treatment at one of the three Mayo Clinics in the U.S., including the Mayo Clinic in Jacksonville. They coordinate appointments and help with insurance arrangements. The office staff are also fluent in the language or languages of their office's location.

To help ease the stress of international travel, Mayo Clinic offers services to help patients plan their trip. Agents can assist in changing flights if appointments change, arranging hotel accommodations near the campus, booking ground transportation and making any other special accommodations based on the patient's health needs. Interpreters are also available at no cost to patients whose primary language is not English. "Mayo Clinic in Florida unites clinical practice, research and medical education to innovate

faster and solve unmet patient needs. As a result, patients come from around the world for our care, and they often find answers and hope that eluded them elsewhere," said Kent Thielen, MD, CEO at Mayo Clinic in Florida.

Cancer Treatment in Northeast Florida

Patients from all over come to Jacksonville and Northeast Florida for the abundance of cancer treatment options available here. Mayo Clinic's Mangurian Building, home to the Oncology Infusion Center, was built as a destination medical facility to boost medical tourism in the area and draw patients from around the U.S. and world. The building was partially funded by a \$20 million grant from the Harry T. Mangurian Jr. Foundation in South Florida.

Northeast Florida is also home to the prestigious Baptist MD Anderson Cancer Center, which offers expert cancer screening, diagnosis and treatment. This partnership between Baptist Health and Houston, Texas-based MD Anderson Cancer Center is transforming how cancer care in the southeastern U.S. is delivered.

In downtown Jacksonville, the UF Health Proton Therapy Institute has established itself as a medical tourism destination for those seeking cancer treatment with proton beam therapy. Open since 2006, the proton therapy institute has treated more than 11,000 patients and administered 360,000 proton therapy treatments.

Photo courtesy of Mayo Clinic

Internationally recognized for its excellence, thousands of patients from throughout Florida, all 50 states and 34 countries have sought care from the institute for 20-plus types of cancer. The proton therapy institute has seen patients from Georgia, Virginia, New Jersey, and even Thailand. From December 2009 to March 2019, the institute treated 864 patients from the U.K. One U.K. family in particular traveled over 4,300 miles to get treatment for their 20-month-old son.

The institute was the first to offer proton therapy for radiation treatment in the Southeast and the fifth in the U.S. In 2015, the institute was one of four cancer treatment facilities in the state to be recognized as a Florida Cancer Center of Excellence, and it achieved national acclaim as one of the first proton therapy facilities to earn accreditation in radiation oncology by the American College of Radiology.

Medical Tourism's Economic Benefits

The medical tourists that Northeast Florida attracts provide many economic benefits. The increased number of patients generates revenue, creates jobs and spurs infrastructure development. Visit Jacksonville, Northeast Florida's visitor's bureau, estimates medical tourism contributes \$23 million annually to the local economy. Visit Jacksonville even has a patient concierge program that offers special lodging rates and deals on attractions for patients and families going through long-term treatment.

With top-rated hospitals, elite physicians and the most cutting-edge treatments available, the Jacksonville and Northeast Florida area will continue to be sought after as a destination for unparalleled medical treatments.

Continuing Education: Requirements & Licensure Renewal

NOTE: Licensees of the Florida Board of Medicine are required to renew their licenses biennially to maintain the right to practice.

Allopathic (MD)

The Department of Health (DOH) divides MDs into two groups. One group holds licenses that expire at midnight, Eastern Standard Time, on Jan. 31 of even-numbered years, while the other group expires at midnight on Jan. 31 of odd-numbered years.

For other methods of obtaining continuing medical education per biennium, visit <https://flboardofmedicine.gov/renewals>.

FIRST RENEWAL	SECOND RENEWALS AND BEYOND
<ul style="list-style-type: none"> • One hour of HIV/AIDS 	<ul style="list-style-type: none"> • Two hours of Prevention of Medical Errors (Course must include information regarding the five most misdiagnosed conditions.)
<ul style="list-style-type: none"> • Two hours of Prevention of Medical Errors (Course must include information regarding the five most misdiagnosed conditions in Florida for the previous two years.) 	<ul style="list-style-type: none"> • Two hours of Controlled Substance Prescribing (Required for medical doctors who are registered with the U.S. Drug Enforcement Agency and authorized to prescribe controlled substances.)
	<ul style="list-style-type: none"> • 38 general CME hours, including two hours of Domestic Violence for every third biennium

MILITARY EXEMPTIONS FOR MDs AND DOs

Any licensee who is a member of the U.S. military on active duty who was in good standing with the board at the time of becoming active and was entitled to practice or engage in the practice of medicine in Florida may be eligible to be exempted from renewal requirements for the duration of active duty. This also includes a period of six months after discharge, but not practicing the profession in the private sector for profit. If you are the spouse of a member of the Armed Forces of the United States, you may be eligible to be exempted from licensure renewal requirements, but only in cases of absence from the state due to your spouse’s duties with the Armed Forces. For more exemptions, visit <https://floridasosteopathicmedicine.gov/renewals> and <https://flboardofmedicine.gov/renewals>.

Podiatric Physician (DPM)

Current licenses expire at midnight Eastern Standard Time on March 31.

FIRST RENEWAL	EVERY RENEWAL THEREAFTER
<ul style="list-style-type: none"> • Five hours of continuing education in the subject area of risk management, which may be obtained by attending one full day at a Florida Board of Podiatric Medicine meeting at which disciplinary hearings are conducted. 	<ul style="list-style-type: none"> • 36 CE hours
<ul style="list-style-type: none"> • Two hours of Prevention of Medical Errors 	<ul style="list-style-type: none"> • Two hours of Prevention of Medical Errors

<ul style="list-style-type: none"> • One hour of HIV/AIDS 	<ul style="list-style-type: none"> • One hour of Risk Management
	<ul style="list-style-type: none"> • Two hours of Safe and Effective Prescribing of Controlled Substances (Included within the 36 total general hours required.)
	<ul style="list-style-type: none"> • One hour of Human Trafficking (The one-time human trafficking course shall apply to all licensees and is required of new applicants in their first renewal biennium, as well as, of licensees renewing to active status if the course has not already been taken. The one-hour course is included in the 36 total general hours required.)
	<ul style="list-style-type: none"> • One hour of HIV/AIDS (Included in the 36 total general hours required.)

Physician Assistants

Licenses for physician assistants expire at midnight, Eastern Standard Time, on January 31 of even-numbered years unless renewed. Prescribing physician assistants must complete 10 hours of CME in each specialty area of the supervising physician. These hours are included in the 98 general CME hours. Effective January 1, 2017, three of the 10 specialty hours must consist of a course on the safe and effective prescribing of controlled substance medications given by a statewide professional association of physicians in this state accredited to provide educational activities designated for the American Medical Association Physician’s Recognition Award Category I credit or designated by the American Academy of Physician Assistants as a Category I credit.

FIRST BIENNIUM RENEWAL	SECOND RENEWALS AND BEYOND
<ul style="list-style-type: none"> • One hour of HIV/AIDS (Must be Category I.) 	<ul style="list-style-type: none"> • Two hours of Prevention of Medical Errors
<ul style="list-style-type: none"> • Two hours of Prevention of Medical Errors 	<ul style="list-style-type: none"> • Two hours of Domestic Violence (Required every third biennium, included in the total 100 hours required.)
<ul style="list-style-type: none"> • 97 general CME hours or current National Commission on Certification of Physician Assistants (NCCPA) certification 	<ul style="list-style-type: none"> • 98 general CME Hours

There are options for you if you are not ready to give up practicing medicine and are not ready to retire. When your medical license is placed in retirement status, you are prohibited from practicing any form of medicine. However, if your license is converted to a limited license status, you can still practice medicine on a volunteer basis to provide uncompensated care for low-income residents. A limited license is restricted to areas of critical need. Since physicians are working without compensation under the limited license status, license renewal fees are waived.

Nursing (RN and LPN)

Licensees of the Florida Board of Nursing, including registered nurses (RN and licensed practical nurses (LPN), are required to renew their licenses biennially to maintain the right to practice.

FIRST BIENNIUM RENEWAL	EVERY RENEWAL THEREAFTER
<ul style="list-style-type: none"> For the first renewal, LPNs and RNs initially licensed by examination during the current biennium are exempt from general CEU requirements. 	<ul style="list-style-type: none"> Two hours of Florida Laws and Rules
<ul style="list-style-type: none"> LPNs and RNs initially licensed by endorsement during the current biennium and took the exam in another state within the biennium are also exempt from general CEU hours. 	<ul style="list-style-type: none"> Two hours of Prevention of Medical Errors
<ul style="list-style-type: none"> Both those licensees must complete two hours of Prevention of Medical Errors, two hours of Florida Laws and Rules, two hours of Recognizing Impairment in the Workplace, two hours of Human Trafficking and one hour of HIV/AIDS. 	<ul style="list-style-type: none"> Two hours of Recognizing Impairment in the Workplace (Required every other renewal.)
<ul style="list-style-type: none"> Initial licenses that were issued for less than 24 months are required to complete one hour for each month that the license was valid for. 	<ul style="list-style-type: none"> Two hours of Human Trafficking (Does not have to be a Florida Board of Nursing approved course. Licenses that expired as of Jan. 1, 2019 are required to complete the course every renewal/biennium.)
<ul style="list-style-type: none"> First licenses are not generally valid for a full two years. If your Florida license was not issued for the full two-year biennium, you must complete one hour of CE for each month that you hold the license. 	<ul style="list-style-type: none"> Two hours of Domestic Violence (Required every third biennium in addition to the 24 hours required for renewal.)
	<ul style="list-style-type: none"> 16 general CE hours

Dentistry

Dental licenses must be renewed no later than midnight Eastern Standard Time on Feb. 28.

FIRST BIENNIUM RENEWAL	EVERY RENEWAL THEREAFTER
<ul style="list-style-type: none"> Two hours of HIV/AIDS 	<ul style="list-style-type: none"> Current CPR certification (Must be a live course.)

CANCER SPECIALISTS
of NORTH FLORIDA

Specializing in Cancer and Blood Disorders

At CSNF, it is our mission to provide the highest quality of care to all patients. Practicing at 13 convenient locations across North Florida, our team of experts include board-certified Medical Oncologists, Hematologists, and Radiation Oncologists. We are proud to offer cutting-edge radiation techniques and an extensive list of clinical research trials. As part of our mission to treat the whole patient, we provide support services such as an in-house pharmacy and laboratory, diagnostic imaging, social work, nutritional services, and financial counseling.

Where we CARE about Your Kidneys

- Refer your patient with confidence

Jamal Salameh M.D.

American Board of Internal Medicine and Nephrology

“Dr. Salameh is a local nephrologist who has extensive experience in kidney disease, internal medicine, and critical care. He was trained at Mayo Clinic and the University of Florida for his specialties. He is affiliated with all major hospitals in Jacksonville, Orange Park and Macclenny. With over 20 years of experience, he is a tireless patient advocate and is skilled in the multidisciplinary and value based care of his patients. Compassion and intellect drive his personal relationship with his patients many of whom have his personal cell number.”

Services Offered

- Chronic Kidney Disease
- Hypertension/High Blood Pressure
- Congestive Heart Failure
- Electrolyte Abnormalities
- Kidney Stones
- Dialysis including hemodialysis peritoneal dialysis and all home dialysis modalities
- Kidney Cysts and Masses
- Most Insurances are accepted including MEDICARE, MEDICAID, and TRICARE

Comprehensive Care. Innovative Services. Compassionate Delivery.

Our full spectrum of care includes diagnosis and treatment of:

- **Brain aneurysms, acute stroke and other cerebrovascular conditions**, including brain aneurysms, arteriovenous malformations (AVMs), carotid stenosis, and trigeminal neuralgia
- **Spine disorders** including back and neck pain, herniated discs, pinched nerves, degenerative spine disease, spinal stenosis, scoliosis and other spine deformities
- **Tumors of the brain and spine** (benign or malignant), including pituitary tumors, meningiomas, gliomas and skull base lesions
- **Other neurologic conditions** including movement disorders such as Parkinson's Disease, peripheral nerve disorders and more

We bring patients unparalleled skill and training to conquer their pain and restore their health.

ACCEPTING NEW PATIENTS

referral@floridaretinainstitute.com

Excellence in Vitreo-Retinal Diseases and Surgery since 1979

One of the most experienced, renowned Team of Doctors, dedicated in providing comprehensive patient care in vitreous retinal diseases and surgery. Florida Retina Institute physicians are board certified medical doctors, fellowship trained vitreo-retinal surgeons, having completed their training at some of the most prestigious, top-rated hospitals and medical universities in the U.S. Being affiliated with the leading top hospitals in our regions, we participate in continuing medical education, research and clinical trials. Our physicians are consistently recognized and selected by their peers as Top Doctors, ranking best in the U.S. and their region.

Most all insurances accepted

Where we CARE about Your Kidneys

- Refer your patient with confidence

Jamal Salameh M.D.

American Board of Internal Medicine and Nephrology

“Dr. Salameh is a local nephrologist who has extensive experience in kidney disease, internal medicine, and critical care. He was trained at Mayo Clinic and the University of Florida for his specialties. He is affiliated with all major hospitals in Jacksonville, Orange Park and Macclenny. With over 20 years of experience, he is a tireless patient advocate and is skilled in the multidisciplinary and value based care of his patients. Compassion and intellect drive his personal relationship with his patients many of whom have his personal cell number.”
